City of Easton Garbage and Recycling Service

Recycling Information

Great News for the City's Recycling Program!

Single Stream recycling is now available in the City of Easton. This means that you no longer need to separate your recyclables—paper products may now be mixed with plastic, glass and aluminum. While we will still accept materials that are separated, we are hoping to encourage more residents to participate by making it easier than ever to recycle. Please note that this only applies to recycling and that any recyclable materials must always be separated from trash.

Additionally, please note that all residents who are serviced by Raritan Valley Disposal are eligible to earn valuable rewards through RecycleBank® just by recycling. For account information or technical assistance please contact RecycleBank® at 888-727-2978. If you do not yet have a bar code sticker on your city recycling can please contact the Public Works Department for more information.

Clean and Place these items in your Blue City Recycle Can:

Garbage Preparation and Pickup Information

Please locate your residential area on this map.

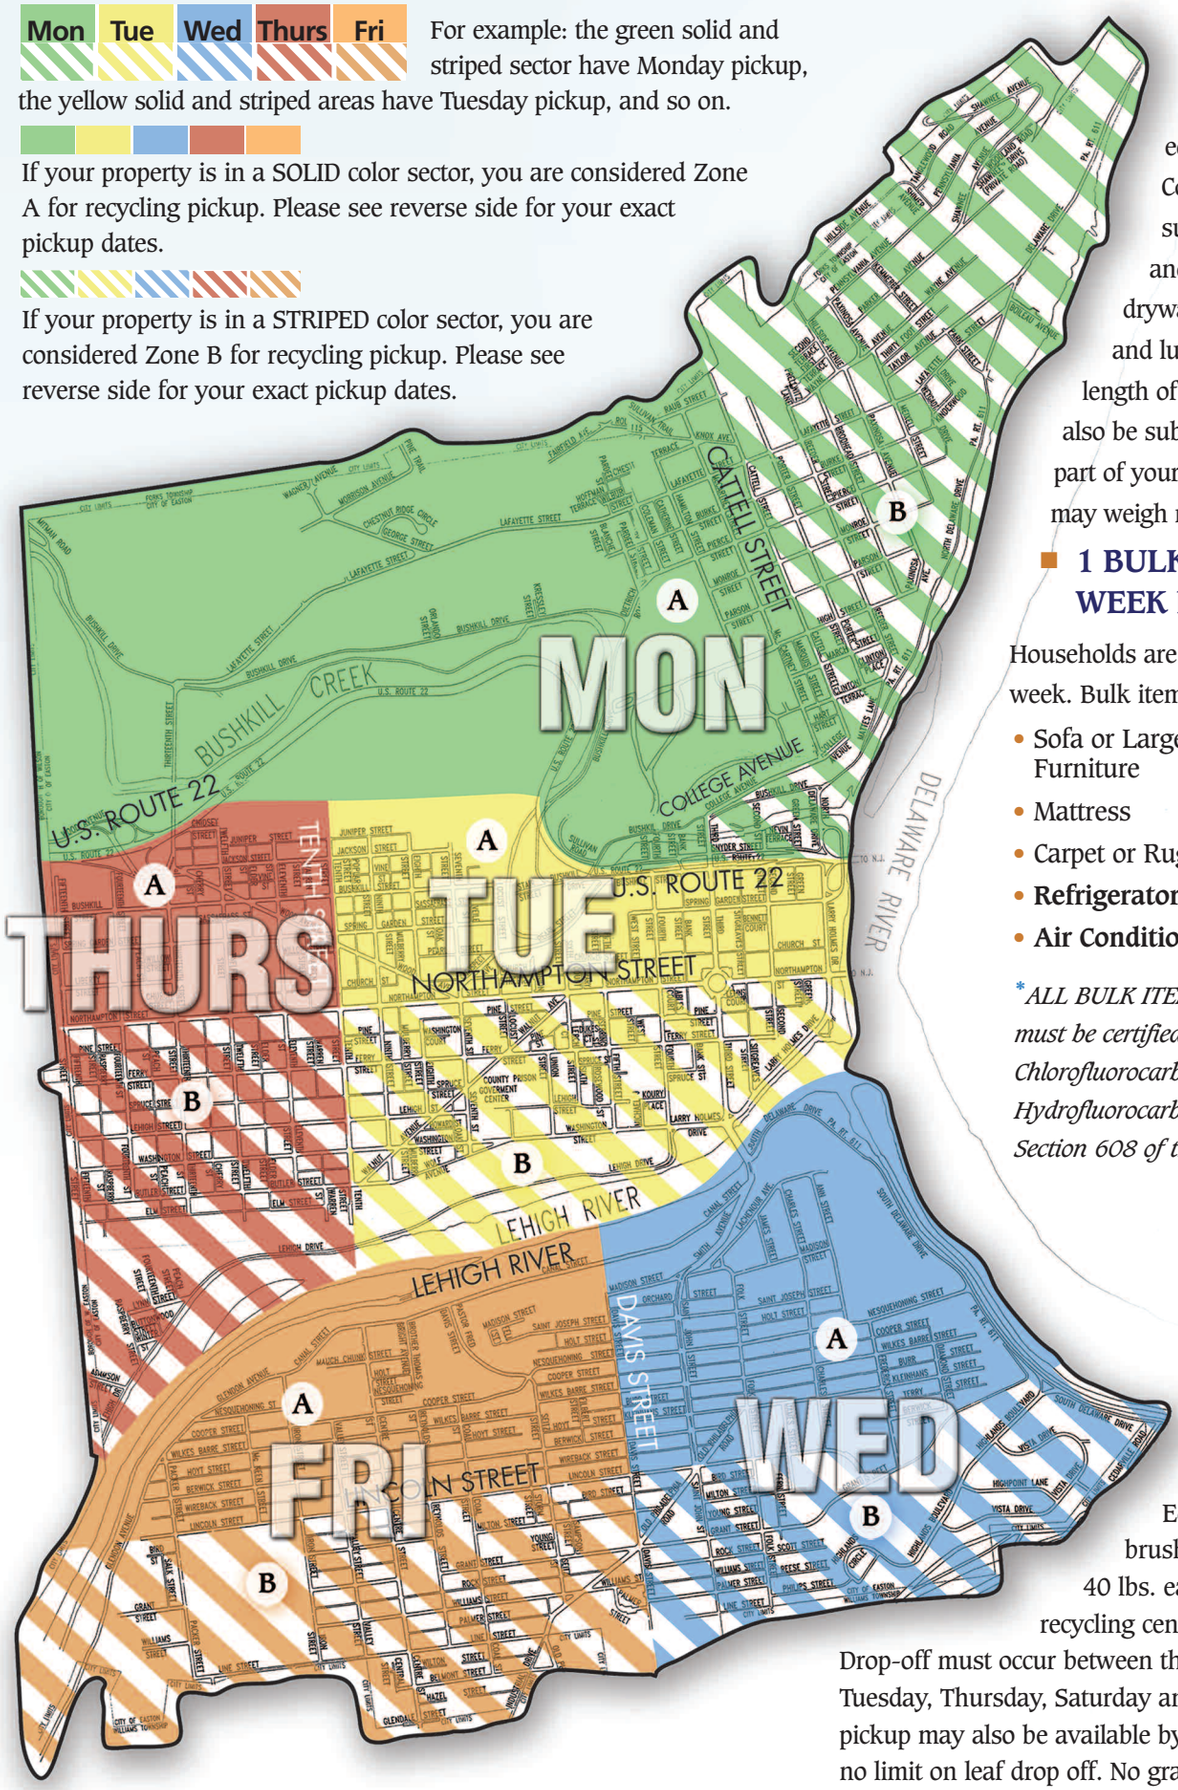
Colors indicate which day of the week your pickup will be.

Mon	Tue	Wed	Thurs	Fri

For example: the green solid and striped sector have Monday pickup, the yellow solid and striped areas have Tuesday pickup, and so on.

If your property is in a SOLID color sector, you are considered Zone A for recycling pickup. Please see reverse side for your exact pickup dates.

If your property is in a STRIPED color sector, you are considered Zone B for recycling pickup. Please see reverse side for your exact pickup dates.



Important Requirements:

4 CONTAINERS (Or Equivalent) PER WEEK LIMIT.
