## Leaf Collection Program 2010

Dear City of Easton Resident:

Easton Public Works is preparing for the upcoming 2010 leaf season and would like to make our program as effective and efficient as possible. We ask that you consider using each of the options listed below to help better accommodate your removal needs. Information can also be obtained from our website at [www.easton-pa.com](http://www.easton-pa.com) under the public works link or by calling our Department directly at (610) 250-6680.

1. Leaves may be dropped off at our 500 Bushkill Drive Recycling Center. Hours of operation are Tuesday, Thursday, Saturday and Sunday from 10:00 am – 2:00 pm.
2. The City will provide leaf pick-up at your home by appointment provided that they are collected in any clear plastic bags. Residents may call 610-250-6680 or email [publicworks@easton-pa.gov](mailto:publicworks@easton-pa.gov) and leave an address for pickup within our goal of 72 hours. The City will also give out clear plastic leaf bags free of charge while supplies last. A limit of 5 bags/week per property may be picked up at our Recycling Center or City Hall, 1 S. 3rd Street, City Hall, 4th Floor 8:30am – 4:30 pm. Bags will be available after October 1st.
3. Leaves may be placed curbside for pickup with our crews and machines according to the tentative schedule that is posted below. Please note that this schedule may be altered for unforeseen circumstances including equipment malfunction, inclement weather, etc. We will continue to collect leaves as far into the season as possible until our trucks must be changed over and prepared for snow fighting.
