Recycling Tip of the Month

Spring is almost here and it is time to think about
“Spring Cleaning”!

Make sure you recycle all plastics—including most
toys!

Paint cans can be placed in the garbage if they are
empty or dried out.

Please remember that you are only permitted one
large item per week (i.e. chair, mattress, dresser, etc)

Tires must be recycled at a service garage—they
cannot be put out for the trash.

Hooray for **Spring**

Remember: Cardboard boxes
are to be flattened and recycled
unless contaminated by food.
