 Street Sweeping Notification Program

ATTENTION RESIDENTS:

Are you interested in being notified in advance when street sweeping is canceled? If so, this service is now available through a program called NIXEL.

Please review the list of streets below. If you park on any of these posted street sweeping routes, text the corresponding code (no spaces) to _____. The City will then notify you via text the day before a sweeping cancellation. Please note that there will be occasions when advance notice of cancellation will not be possible due to unforeseen conditions. In such cases the City will suspend any enforcement of parking restrictions associated with sweeping.

Additionally, because posted streets are generally swept on two separate days, please be sure to register the code for each location where you park. Please feel free to contact the Department of Public Works at 610-250-6680 or publicworks@easton-pa.gov if you have any questions regarding this new program.
